Notice of Availability of Federal **Historic Preservation Funds**

The Kansas Historic Preservation Office will accept applications for federal fiscal year 1996 Historic Preservation Funds until September 15. About \$75,000 in 50-50 matching funds will be available for such projects as local historic resource surveys, archeological surveys, preparation of nominations to the National Register of Historic Places, and the preparation of local historic context statements and preservation plans. A minimum of \$33,000 of these funds will be restricted to those cities that have attained certified local government status.

For FY 1996, applications for the following activities will be given priority: surveys in potentially eligible historic districts; development of thematic reports on historic properties or thematic nominations to the National Register of Historic Places; surveys in Kansas Main Street designated program areas and Main Street partnership cities; ethnic cultural settlement surveys; activities to inform the general public about local historic resources and historic preservation issues and techniques; and historic, architectural and archeological surveys in areas facing development pressures.

Another priority for cities or organizations is the planning of a statewide historic preservation conference. Potential applicants for the statewide conference should contact the KHPO prior to submission of a proposal for further information and direction.

Applications will be evaluated on such factors as the degree to which the project addresses the priorities stated above, the demonstrated need for the proposed project, the likelihood that stated needs will be met through the project activities, the administrative ability of the applicant, and the potential educational outcome of the project.

For applications, instructions and complete evaluation information, contact the Kansas Historic Preservation Office, Kansas State Historical Society, 120 W. 10th, Topeka, 66612, (913) 296-7080.

30-4-101. Standards for persons in own home, other family home, specialized living, commercial board room, or commercial room-only living arrangement. This regulation is being amended to reduce the amount of the cash assistance designated as an energy supplement from \$19 to \$18 (federal mandate). The regulation change is required as a result of a directive received from the U.S. Department of Agriculture dated April 25, 1995, which permits the state to use only an \$18 energy supplement in determining the amount of food stamps a cash assistance household can qualify for.

Economic Impact: This change is expected to result in a \$1 reduction in the General Assistance (GA) grants of

approximately 550 GA clients. Yearly cost savings are expected to be \$6,600 in state general funds.

Bearer of Costs: None.

Affected Parties:

1. This change will have an adverse impact on those GA clients whose grants are reduced by \$1.

2. This change will have minimal impact on SRS staff.

Other Methods: The department did not consider other methods of achieving the purpose of this rule and regulation, as the provision is a result of court and USDA mandates.

Notice of Hearing on Proposed Administrative Regulations

A public hearing will be conducted at 9 a.m. Friday, September 22, in Room 108 of Landon State Office Building, 900 S.W. Jackson, Topeka, to consider the adoption of a proposed rule and regulation of the Department of Administration, Division of Accounts and Reports.

This 60-day notice of the public hearing shall constitute a public comment period for the purpose of receiving written public comments on the proposed rule and regulation. All interested parties may submit written comments prior to the hearing to the Secretary of Administration, Room 263-E, State Capitol, 300 S.W. 10th, Topeka, 66612. All interested parties will be given a reasonable opportunity to present their views orally on the adoption of the proposed regulation during the hearing. In order to give all parties an opportunity to present their views, it may be necessary to request each participant to limit any oral presentation to five minutes.

Any individual with a disability may request accommodation in order to participate in the public hearing and may request the proposed regulation and economic impact statement in an accessible format. Requests for accommodation should be made at least five working days in advance of the hearing by contacting Faith Loretto at (913) 296-6000 or TTY (913) 296-4798. Handicapped parking is located at the south end of the Landon State Office Building, and the entrance at the north end of the building is accessible.

A summary of the proposed regulation and its economic impact follows.

K.A.R. 1-16-18. Subsistence allowance, rates. This regulation prescribes the amounts and method for computing the reimbursement for meal and lodging expenses incurred by state employees while traveling on official state business. The regulation sets out maximum allowable reimbursement amounts for meals and lodging for in-state travel and out-of-state travel, including high cost geographic areas, and for international travel. Amendments to this regulation increase the reimbursement limitation for meal allowances and lodging expenses in each category of travel, and accordingly adjust the amount of reductions for meals provided to the traveler at no cost. These proposed increases are based on consideration of actual costs incurred in travel, the rates allowed by the Internal Revenue Service, and other pertinent factors identified by the Secretary of Administration, as set out in K.S.A. 3207a(b). State agencies will bear the cost of the increases in subsistence rates and state employees traveling on official state business will benefit from establishment of rates which more closely reflect actual travel costs. The proposed rates would increase annual subsistence allowances and reimbursements by approximately 4.69 percent if the present rate of travel continues. This represents an estimated statewide increase in expenditures of \$590,018 (\$204,575 from the state general fund and \$385,443 from all other funds). No economic impact on the general public is anticipated.

Copies of the regulation and its associated economic impact statement may be obtained from the Division of Accounts and Reports, Room 355-S, Landon State Office Building, 900 S.W. Jackson, Topeka, 66612, (913) 296-2311.

Public Utilities—Powers of State Corporation Commission; Rules, Regulations and Procedure—Gas or Electric Public Utilities; Nonregulated Private Enterprises, Separate Accounting, Audit. Representative Daniel Thimesch, 93rd District, Cheney, June 30, 1995.

K.S.A. 66-129a authorizes the State Corporation Commission (KCC) to audit the records of a gas or electric public utility engaged in a nonregulated private enterprise to ensure that the utility does not allocate the costs of that business to the ratepayer in any rate, joint rate, toll or charge (cost subsidization). While this statute limits KCC audits to one every two years, it does not preclude the KCC's examination of records for other purposes pursuant to other statutes. One such other statute is K.S.A. 66-129 authorizing the audit of records related to the regulated activities of a public utility company at any time. Records related to regulated activities are audited to ensure the ratepayer is charged a reasonable rate. The KCC's authority to audit is thus not limited by K.S.A. 66-129a when cost subsidization is relevant to whether the public utility's rates are reasonable. Schools-Community Colleges—Community College Elections—Board of Trustees; Composition; Membership Prohibited for College Employees; Employee. R. Kent Pringle, Legal Counsel, Neosho County Community College, Chanute, July 10, 1995.

The term "employee" in K.S.A. 71-1403 is defined to include those persons whose service to the community college is subject to the control and direction of the community college, provided such control and direction includes directing the manner in which the services are performed, regardless whether the person receives compensation from the community college. Acting Director of Purchases

Kansas Commission on Governmental Standards and Conduct

Advisory Opinion No. 95-10

Written June 22, 1995, to Frank H. Jenkins, Jr., Lowe, Farmer, Bacon & Roe, Olathe.

This opinion is in response to your letter of May 4, 1995, in which you request an opinion from the Kansas Commission on Governmental Standards and Conduct concerning the local conflict of interest laws (K.S.A. 75-4301 et seq.).

Factual Statement

We understand you request this opinion as attorney for the City Planning Commission of Spring Hill, Kansas. You advise us that the Spring Hill Planning Commission is scheduled to consider the rezoning and plat approval of a residential development named Locke Wood Estates.

You further advise us that one of the planning commissioners is a real estate agent for a local realty company, and in this capacity will derive commissions from selling the lots of Locke Wood Estates. The commissioner has not filed a disclosure statement concerning his interest in the real estate development.

Question

Based on this factual statement, you ask us the following questions:

- 1. Is it permissible for the planning commissioner to vote on the rezoning and plat approval of the residential development, when the commissioner is employed by the real estate company selling lots in the development?
- 2. If the planning commissioner formally abstains from voting, to what extent does it constitute "participation" if the commissioner (1) remains seated with the other commissioners, (2) remains in the hearing room, (3) participates in any presentation, or (4) communicates with the planning commission members regarding the subject matter?

Opinion

We first note that for the local conflict of interest laws to apply, a "substantial interest," as defined by K.S.A. 75-4301a(a), must be held in a "person" or "business." That subsection states:

"Substantial interest" means any of the following: (1) If an individual or an individual's spouse, either individually or collectively, has owned within the preceding 12 months a legal or equitable interest exceeding \$5,000 or 5% of any business, whichever is less, the individual has a substantial interest in that business.

- (2) If an individual or an individual's spouse, either individually or collectively, has received during the preceding calendar year compensation which is or will be required to be included as taxable income on federal income tax returns of the individual and spouse in an aggregate amount of \$2,000 from any business or combination of businesses, the individual has a substantial interest in that business or combination of businesses.
- (3) If an individual or an individual's spouse, either individually or collectively, has received in the preceding 12 months, without reasonable and valuable considera-

tion, goods or services having an aggregate value of \$500 or more from a business or combination of businesses, the individual has a substantial interest in that business or combination of businesses.

- (4) If an individual or an individual's spouse holds the position of officer, director, associate, partner or proprietor of any business, other than an organization exempt from federal taxation of corporations under section 501(c) (3), (4), (6), (7), (8), (10) or (19) of chapter 26 of the United States code, the individual has a substantial interest in that business, irrespective of the amount of compensation received by the individual or individual's spouse.
- (5) If an individual or an individual's spouse receives compensation which is a portion or percentage of each separate fee or commission paid to a business or combination of businesses, the individual has a substantial interest in any client or customer who pays fees or commissions to the business or combination of businesses from which fees or commissions the individual or the individual's spouse, either individually or collectively, received an aggregate of \$2,000 or more in the preceding calendar year.

As used in this subsection, "client or customer" means a business or combination of businesses.

The planning commissioner, or the commissioner's spouse, must hold a "substantial interest" in the real estate developer for the conflict laws to apply. Having a "substantial interest" in the realty company that employs the commissioner is not sufficient, because any votes affecting zoning and plat approval would be between the planning commission and the real estate developer. The realty company, under these facts, would be a third party to the decisions and no statutory conflict would exist.

If the commissioner does hold a "substantial interest" in the real estate developer, then K.S.A. 75-4304(a) applies to your first question. That subsection states:

No local governmental officer or employee shall, in the capacity of such an officer or employee, make or participate in the making of a contract with any person or business by which the officer or employee is employed or in whose business the officer or employee has a substantial interest.

The prohibition found in this section applies to "contracts." Votes on such issues as zoning and plat approval are legislative decisions. This commission has consistently held that legislative decisions are not "contracts." Therefore, K.S.A. 75-4304(a) does not prohibit a planning commissioner from voting on such issues.

K.S.A. 75-4305 applies to your second question. That section states:

- (a) Any local governmental officer or employee who has not filed a disclosure of substantial interests shall, before acting upon any matter which will affect any business in which the officer or employee has a substantial interest, file a written report of the nature of the interest with the county election officer of the county in which is located all or the largest geographical part of the officer's or employee's governmental subdivision.
- (b) A local governmental officer or employee does not pass or act upon any matter if the officer or employee abstains from any action in regard to the matter.

Under this section concerning the disclosure of any "substantial interest" in the real estate developer, the

commissioner would be required to choose between two statutory alternatives:

- 1. A statement reporting the nature of said interest in the developer must be filed with the appropriate county clerk, or
- 2. Abstention from any action, in the capacity as planning commissioner in decisions affecting the development, should be on the record.

In the event that the report is filed pursuant to K.S.A. 75-4305, the city commissioner could participate in any and all considerations of the zoning and plat approval of the development. If, instead, the second alternative is chosen, then there must be total abstention from any action, in the capacity of planning commissioner, as to the zoning and plat approval of the development.

Therefore, if the commissioner has a substantial interest in the developer, he could still vote on the zoning and plat approval of the development under K.S.A. 75-4304 because these are legislative decisions. However, under K.S.A. 75-4305, it would be necessary for the commissioner to file a disclosure statement of this interest before voting on these matters.

Advisory Opinion No. 95-11

Written June 22, 1995, to Frank H. Jenkins, Jr., Lowe, Farmer, Bacon & Roe, Olathe.

This opinion is in response to your letter of May 24, 1995, in which you request an opinion from the Kansas Commission on Governmental Standards and Conduct concerning the local conflict of interest laws (K.S.A. 75-4301 et seq.).

Factual Statement

We understand you request this opinion as attorney for the city council of Spring Hill, Kansas. You advise us that the spouse of a city council member is a member of the City Planning Commission.

Question

Is it permissible under the local conflict of interest laws (K.S.A. 75-4301 et seq.) for the spouse of a city council member to be a member of the city planning commission?

K.S.A. 75-4304(a) applies to this situation. That subsection states:

No local governmental officer or employee shall, in the capacity of such an officer or employee, make or participate in the making of a contract with any person or business by which the officer or employee is employed or in whose business the officer or employee has a substantial interest.

We first note that the holdings of spouses are attributable to one another insofar as the definition of "substantial interest" is concerned. However, for the prohibition found in K.S.A. 75-4304(a) to apply, the local governmental officer or employee must hold a "substantial interest" in a "person" or "business."

This commission has consistently held that because the definition of business found in K.S.A. 75-4301a does not include local subdivisions of government, and since local subdivisions of government are not "persons" for purposes of holding a "substantial interest," the prohibition found in K.S.A. 75-4304(a) does not apply to this type of

Thus, the situation you have described is permissible under the local conflict of interest laws, because neither spouse holds a "substantial interest" in the city council or in the planning commission. Note that if the state level conflict of interest laws applied, a different outcome would have been reached because both the definitions of "business" and the definition of "person" includes local subdivisions of government (see K.S.A. 46-223 and K.S.A. 46-230).

Advisory Opinion No. 95-12

Written June 22, 1995, to John T. Bird, Glassman, Bird & Braun, Hays.

This opinion is in response to your letter of May 12, 1995, in which you request an opinion concerning the local conflict of interest laws (K.S.A. 75-4301 et seq.).

Factual Statement

We understand you request this opinion in your capacity as the city attorney for the City of Hays, Kansas. You advise us that the City of Hays has entered into an Interlocal Governmental Cooperation Agreement with various other municipal and governmental entities. This agreement sets up a trust fund, with the elected city officials of Hays being among the trustees.

You further advise that one of the city commissioners has a spouse who serves as a director of the Ellis County Economic Development Corporation, a 501c(3) corporation formed for the purpose of economic development in the Ellis County area. This position is unpaid and does not require any contribution of funds, by the director, to the corporation.

You note that the trust fund created by the agreement may, from time to time, enter into agreements with industrial prospects, and possibly the Economic Development Corporation, for the purpose of enabling economic development in the area.

Ouestion

May the city commissioner, in the capacity of trust fund trustee, participate in the making of contracts between the trust fund and the Economic Development Corporation?

Opinion

K.S.A. 75-4304(a) applies to your question. That subsection states:

No local governmental officer or employee shall, in the capacity of such an officer or employee, make or participate in the making of a contract with any person or business by which the officer or employee is employed or in whose business the officer or employee has a substantial

We first note that the holdings of spouses are attributable to one another insofar as holding a "substantial interest." If, as you state, the Ellis County Economic Development Corporation directors are not employed by the corporation, but rather serve on its board of directors or in some other official position and do not receive com-

pensation for this service, the only issue is whether that service constitutes the holding of a "substantial interest." K.S.A. 75-4301(a)(4) states:

If an individual or an individual's spouse holds the position of officer, director, associate, partner or proprietor of any business, other than an organization exempt from federal taxation of corporations under section 501(c)(3), (4), (6), (7), (8), (10), (19), of chapter 26 of the United States code, the individual has a substantial interest in that business, irrespective of the amount of compensation received by the individual or individual's spouse.

In applying this section, it is our opinion, if the Ellis County Economic Development Corporation is exempt from federal taxation by one of the listed provisions, then the directors and/or their spouses do not hold a "substantial interest" in the corporation. Thus, the prohibitions of K.S.A. 75-4304 do not apply and the city commissioner, in the capacity of trust fund trustee, may vote on decisions affecting the Economic Development Corporation.

In closing, we note that if the state level conflict of interest laws, K.S.A. 46-215 et seq., were applied to this situation, a different outcome would have been reached since the statute defining "substantial interest" does not have the tax-exempt entity exception (see K.S.A. 46-229(d)).

Advisory Opinion No. 95-13

Written June 22, 1995, to Daniel Lekie, Lenexa.

This opinion is in response to your letter of May 8, 1995, in which you request an opinion concerning the local conflict of interest laws (K.S.A. 46-215 et seq.).

Factual Statement

You are requesting this opinion in your capacity as a wildlife biologist with the Kansas Department of Wildlife and Parks (KDWP). You advise us that you have been approached by the Kansas City Power and Light Company (KCPL) to do some work as an independent contractor for them during your off-duty hours with the state. Your specific duties would include building and maintaining duck boxes, detailed vegetation analysis and monitoring Kestrel boxes.

You further advise us that in your position with the state, you do not license, inspect or regulate KCPL. You do, however, on occasion meet with its environmental staff to request their help in funding and participating in certain projects such as the Walk With Wildlife program.

Ouestion

Is it permissible for a wildlife biologist for the Kansas Department of Wildlife and Parks to work as an independent contractor with the Kansas City Power and Light Company during off-duty hours?

Opinion

There are two sections of the state level conflict of interest laws that may apply to the situation you describe. K.S.A. 46-233(a) states:

No state officer or employee shall in the capacity as such officer or employee be substantially involved in the preparation of or participate in the making of a contract with any person or business by which such officer or employee is employed or in whose business such officer or employee or any member of such officer's or employee's immediate family has a substantial interest and no such person or business shall enter into any contract where any state officer or employee, acting in such capacity, is a signatory to, has been substantially involved in the preparation of or is a participant in the making of such contract and is employed by such person or business or such officer or employee or any member of such officer's or employee's immediate family has a substantial interest in such person or business.

Whenever any individual has, within the preceding two years participated as a state officer or employee in the making of any contract with any person or business, such individual shall not accept employment with such person or business for one year following termination of employment as a state officer or employee.

K.S.A. 46-286(a) states:

No state officer or employee, in the officer's or employee's official capacity, shall participate directly in the licensure, inspection or administration or enforcement of any regulation of or in any contract with any outside organization with which the officer or employee holds a position.

As we understand this factual situation, you have not in the preceding two years participated, on behalf of the state, in the making of any contracts with KCPL. In addition, we understand that in your current position you are not involved in the licensing, inspecting or regulating of the company.

With these understandings, in our opinion, it is permissible for you to accept part-time employment with KCPL during off-duty hours with the state. We do draw your attention to K.S.A. 46-241, which prohibits the use of confidential information obtained as a state employee to further personal economic interests.
